From your editor – We had a small group of 9 regulars show up on Monday, Nov 14th at the Lighthouse restaurant on Hartnell.

Charley Fitch started us off with a brief report on the Fall colors tour on Sat the 12th, which he said was spectacular.

Evert told us that he needs a firm count of people attending the Christmas party on Dec 11th no later than Nov 25th. One of the highlights of the Christmas Party is the "dirty santa" gift exchange. In order to participate, you bring a wrapped gift in the $20 - $25 range. You are given the chance to select a gift which you then open. That gift can then be stolen by anyone participating which allows you to steal from someone else. This is good fun and can allow for much strategizing. An individual gift can only be stolen twice otherwise it could go on for hours. Contact Evert to let him know you'll be coming at: evertdale@gmail.com

Another event at the Christmas Party is the voting for the 12 pictures that will make up the calendar. I will have all the pictures I receive on display and you will have a "ballot" on which you will list your 12 favorites. The 12 cars getting the most votes will make up the calendar. I'll have the calendars printed and will get them to you before Christmas so you can give them as gifts. On that subject, if you have not sent me a picture of your car, please do so. The picture should be in landscape format (wider than tall). At present, I only have 7. If we don't get at least 5 more by Dec 1st, we'll have to cancel the project. Send your picture to me at: charleslaurence42@gmail.com

We have received the information about Goodwood Revival tour for next year which I have included. It will take place next September. Check out their website if interested.

I continue to look for your stories in a British car. It can be about an interesting drive you took or a renovation project you're involved with. Anything related to British Cars will be welcome. Write me at: charleslaurence42@gmail.com

'52 MG-TD - My name is Theron Reid & I live in Montana. I have an original 1952 MGTD convertible, right-hand drive. It was my grandfather's and passed down to my father, who just died. It has not ran since it was moved from Montana to Redding in 1980s. I was going to ship it back up to me to work on, but I am not sure I want to take it on. Is there a chance someone would be willing to purchase it. My siblings lost my mom and dad this year and are struggling to figure how to deal with everything.   Please   get   back   to   me   if   you   have   anyone interested.   bigskyreid@gmail.com
